

Burpee® 2021 Rebate Redemption Form

Thank you for partnering with us as a Burpee Certified Grower! Here is an overview of the Rebate Redemption Program, one of the benefits we offer you as part of our program. Just fill out this form and mail it in with your **used, unsold tags**, and Ball will refund the royalties associated with these products, either as a credit toward your outstanding Ball trade invoices or to your account for future Ball purchases. This is our way of showing we are committed to your success with Burpee.

The Rebate Redemption is offered for tags invoiced during the Rebate Year, which runs from September 1 of the prior year until August 31 of the current year. Rebates need to be received no later than **September 15th 2021**. You'll find more details about the Rebate Redemption Program in the Burpee Certified Grower Guidelines.

Claiming your rebate:

1. Collect your **Used, Unsold Tags**. (Please don't send Clean, Unused Tags – they are returned through a different process.)
2. Complete this form.
3. Send both to the Burpee Admin.
