

White Star Eggplant

- Plant in Sun  (at least 6 hrs of sun)
- Grows 24-36" (61-91cm) tall by 18-25" (46-64cm) wide
- Traditional eggplant varieties have a reputation for developing a bitter flavor when grown under stressful conditions. Fortunately, modern hybrid varieties are not likely to exhibit bitterness in spite of the weather. Make sure they get lots of water and fertilizer to ensure rapid growth and fruit maturity.

(Cut along dotted line for standard bench card size.)
